Re: Record Production, *American Oversight v. EPA* (1:17-cv-02599-CKK)

Dear Ms. Creighton:

This letter accompanies the U.S. Environmental Protection Agency's (EPA) first production of records responsive to Freedom of Information Act (FOIA) request no. EPA-HQ-2018-001290. Included in this production are 15 responsive records concerning renovations made to the office of the Administrator (AO) and to the office of the Assistant Administrator for the Office of Enforcement and Compliance Assurance (OECA) since January 20, 2017. Please note that four of these records contain personal privacy information that is withheld in part pursuant to Exemption 6 of the FOIA, 5 U.S.C. §552(b)(6). In addition, one record is withheld in part under Exemption 5's deliberative process privilege, 5 U.S.C. §552(b)(5), and one record contains information that has been claimed as confidential business information (CBI) by the submitter and is protected from disclosure under Exemption 4 of the FOIA, 5 U.S.C. §552(b)(4). This production may also be accessed via FOIAonline (foiaonline.regulations.gov) by searching for case number EPA-HQ-2018-001290.

Please let me know you have any further questions regarding this production.

Sincerely,

A handwritten signature in cursive script, appearing to read "Melissa Shapiro", is written over the typed name.
